# Miramar Palace

The Miramar Palace is an iconic building, located in a unique and exceptional setting, 'La Concha' Bay, with one of the best views of the city.

Built in 1893 at the request of Queen María Cristina, based on a project by the English architect Ralph Selden Wornum, it is a 19th century architectural complex that has become an incomparable setting to host all kinds of events.

# 1893

A unique and versatile space with multiple rooms equipped with state-of-the-art technology that are brought together with a comprehensive service tailored to the needs of each client.

> Queen María Cristina and her son Prince Alfonso.

# Unique Events

Organize your meetings in an incomparable setting.

Perfectly prepared to host all kinds of events, in Miramar you will find the ideal solution to your needs.

Our 11 rooms and halls with capacities from 35 to 195 people, with natural light and singular characteristics, adapt to the event you wish to host.

Accompany your meetings with a business lunch, coffee break, gala dinner or a cocktail, ask our team about the different catering possibilities.

# Our Spaces

Trust in Miramar to make your event a successful experience.

## Julio Caro Baroja

Located on the first floor of the noble building, with excellent natural lighting and spectacular views of La Concha Bay, it is the ideal setting to host conferences, seminars and congresses.

Equipped with the latest technological advances and a large projection screen, its red theatre seats add style and personality to this classic and majestic hall.

## Hall

This wide room, opened by two arches to the corridor, constitutes the central artery of the royal area. Covered by a large medieval-style fireplace that bears the royal coat of arms, it receives the midday light through three large balcony doors that open onto the portico terrace with views of the park.

An open and stately space to give the best welcome to your events, host a commercial exhibition or create a poster presentation area at congresses.
